

Grading Group Wikis

Grading Group Wikis

When you assign groups in your course, you are able to set up wikis for each group. Only members of the group can see the wiki assigned to them. Each member of the group will be graded individually on their contributions to the group wiki.

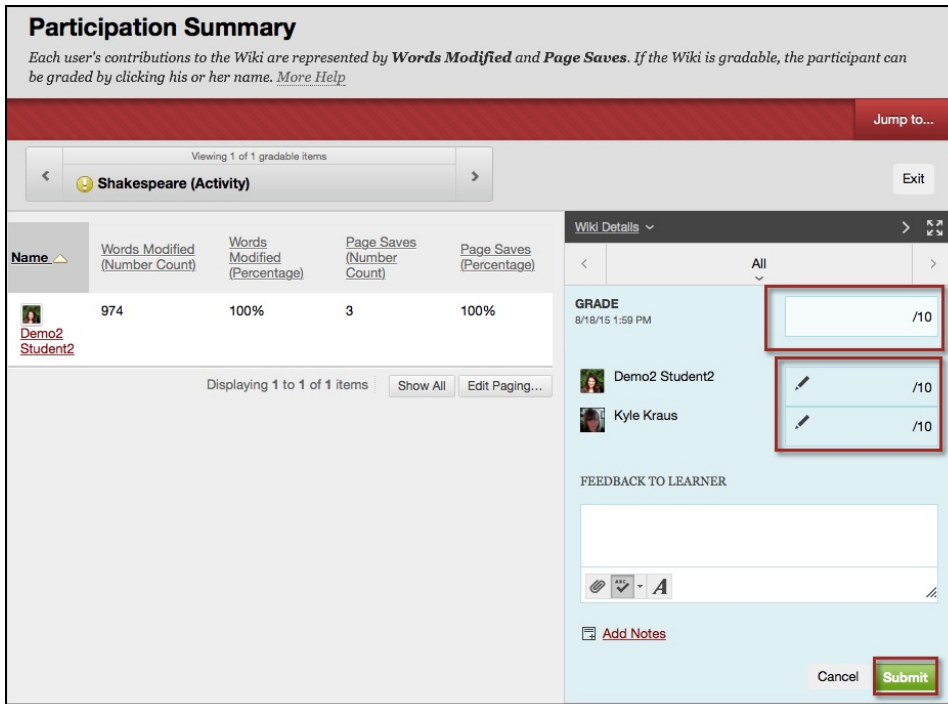

To Grade Group Wikis:

1. From the **Needs Grading Page**:
 - a. On the Course Menu, expand the Grade Center section, and click on **Needs Grading**.
 - b. On the Needs Grading page, locate the student's Wiki submission and click on the Action Link.

- c. Click "Grade All Users"
- d. On the Participation Summary page, you can view students' wiki participation.
- e. You are able to enter one grade for all students in the group, or enter grades individually, depending on their participation.
- f. Enter any feedback to the learner, then click **Submit**.
