

Adding a Web Link to the Course Menu

Adding a Web Link to the Course Menu

To add a course link to the course menu:

1. Click on the plus sign on the upper left-hand side of the course menu.
2. Choose **Web Link** from the drop-down list.

3. Add a name for the web link, and enter the URL for the link. Choose whether or not the new web link will be available to students.
4. Click **Submit** to create the web link, or **Cancel** to delete the web link.

Add Web Link

* Name:

* URL:

*For example,
http://www.myschool.edu/*

Available to Users

Cancel Submit

5. The new web link appears at the bottom of the course menu. Drag the new web link to the desired location using the drag-and-drop arrow.
