

Blackboard Collaborate

Background

Combining the capabilities of industry leaders Wimba and Elluminate, Blackboard Collaborate provides a comprehensive learning platform designed specifically for education. It is helping thousands of higher education, K-12, professional, corporate, and government organizations worldwide deliver a more effective learning experience through online, blended, and mobile learning. And it will help you open up all-new aspects of real time, or anytime, learning to engage more students and improve outcomes.

The Blackboard Collaborate Platform consists of:
